HISTORY

When we reached the ninth grade, our freshman year, there were thirty one mischievous up-starts to begin what seemed an eternity of four long years of high school together. Mrs. Hawkins, our home room teacher, helped us over the rough places that seemed impossible to us. We took an active part in all clubs and activities and have continued them through out our high school years.

During our eleventh year we were beginning to think more about becoming seniors. There was much more to do, for we had the Junior-Senior banquet starring us in the face. It took a lot of time and trouble to get everything for this night of all nights, but the work was half the fun of this gala occasion. We gave the seniors their banquet in the Blue Room of the Robert E. Lee Hotel in Winston Salem. Mr. Williams, our home room teacher, gave us a Christmas party.

Somehow along the way we lost ten of our classmates, so there are only twenty one in the graduating class. With glad faces and fond memories of dear old F.R.S. we say good-bye, hoping that the future seniors will be even better than we.

LAST WILL AND TESTAMENT OF THE CLASS OF 1948

We the Senior class of 1948, as we approach the end of our high school journey, wish to make this, our last will and testament, while we are in our normal state of being. To the faculty we bequeath our continual friendship and good will. We bequeath to the class of '49 our dignity and special privileges. To the sophomore class we bequeath our text books and even the notes written on the des

kske.

To the Freshman class we bequeath four years of hard work.

HIGH-LIGHTS OF 1948

THE HALLOWEEN CARVING

Farmington High School entertained the people of the community at a Halloween Carving, Friday night, October 31. While everyone was having a good time, the school was making money to help provide school supplies. The school cleared about \$300. We are sure that everyone had a wonderful time. One of the main attractions was crowning the King, Bob Wallace and the Queen, Coleen Howell. The school thanks everyone who made this great event possible.

ONE ACT PLAYS

Three one act plays were given Friday night April 9. The Seniors gave two of the plays which were "The Little Red Schoolhouse" and "Aunt Miranda's Will". "Life O' the Party" was given by the Juniors. All three of the plays were comedies and kept the audience laughing.

SENIORS' TRIP

On the morning of April 15 a special bus came to the school house to take all the Seniors on a 2-day tour to Raleigh. This was one morning all of the seniors' faces had a smile on them. We visited several important places in Raleigh, and some of the college on the way down and back. Everyone had a good time and can tell you your way around Raleigh now.

SENIOR PLAY

The occasion of April 30, was the Senior Play, which they had been waiting 12 long years to give. This play had 12 characters, six boys and six girls, starring in it.

BACCALAUREATE SERMON

The Baccalaureate sermon was held at the Farmington Methodist Church, Sunday, May 23. Rev. J. Clarence Shore delivered the most interesting message. For the seniors, this was an important occasion. First, this message was their guide to the future they are facing. Second, it was the first day they wore the uniform of knowledge, their own long awaited cap and gown. Truly it was an impressive service.

CLASS NIGHT

The class night exercise, BEYOND THE PORT, was presented Wednesday night, May 26, another date to be long remembered. We heard the famous Ancient Mariner foretell our future, and how wonderful it was to learn that all of us are to be so successful. Our departing gifts, given to us by the class giftorian, brought us laughs, blushing faces, and "I told you so" from many of our group. Yee, it was a night of fun and frolic as we rolled and tumbled on the Sea of Education, re-living the experiences of our four years at dear old F.H.S. But even with the fun, we keep remembering that graduation time is here. We are happy, yee, but we are saddened with the thought that our school days that have filled our hearts and minds for all these years are over, and that we, too, must face life on our own and seek the joy it holds for each of us. May every senior class carry with it memories as fond as our own.

GRADUATION

The last and most important event of the entire school year—to the seniors, at least—came on Thursday night of May 27, 1948. GRADUATION! O, what a sad night, yet to be filled with the greatest happiness we have known in all of our twelve years of school. The seniors of 1948 walked proudly up the aisle to hear their graduation speaker, Mr. Harvey Dinkins, of Winston Salem, who was introduced by Mr. R.J. Smitherman, our principal. We listened intently to his address, and with anxious hearts awaited the contribution of Mr. Curtis Price to the program. Finally, he rose to present to the twenty-two seniors of Farmington High School the diplomas they had worked so faithfully to receive. How proudly they marched in the recessional, carrying their prized possessions. Yes, we will remember this important date—May 27, 1948. GRADUATION!

The Beta Club consists of twelve members this year. Our sponsor is Mr. L.C. Williams. Officers of the club are President, Dean Dull; Vice-President, Ada Ann Atkinson; Secretary, Carolyn Eaton; Treasurer, Betty Lou Sparke; and Program Chairman, Nancy Riddle.

Our goal for the year was to raise \$100 to give to the school as a gift. So far, we have sold magazines, had a booth at the Halloween Carnival, and published "The SPOTLIGHT", our school newspaper, to help raise the money.

The members of the Beta Club this year are; Ada Ann Atkinson, Betty Lou Sparks, Carolyn Eaton, Nancy Riddle, James Brook, Harvay White, Dean Dull, Martha Ann Davis, Annie Grey Smith, Bobby Furches, John Clay James, and Kenneth White.

Programs of work participated in by all members are set up annually by every chapter of the Future Farmers of America, each state association, and the national organization. These programs are built on the needs of the individual and the community. The items included are guide posts pointing the way. A program indicates the direction and course to follow in order to reach definite goals, and there is a relationship among local, State, and national programs. All F.F.A. activities are boy-initiated and boy-directed. Results attained, therefore, are due to farmer training objectives set up and carried out by the boys themselves. Cooperation, group thinking, and purposeful action are displayed in all programs of work.

Future Farmers not only work well together, but they know how to provide organized recreation for themselves and others in the community. Here again this organization of, by, and for farm boys provides ample opportunity for games, sports, and other recreational activities appealing to the farm boy. State F.F.A. bands and various chapter musical organizations are common in all parts of the country. Many state associations own and operate State-wide camps which combine recreation and health protection with leadership-training activities that reach into every chapter in the state.

BOYS BASKETBALL

The boys basketball team had a fair season this year, winning six games and losing six, losing to Coolemans in our county tournament and to West Yadkin in the Journal and Sentinel tournament. While in our county tournament, the entire team battled for the "County Champs" title. But at full strength, we still had four of our players chosen for the all county team: Gene Dull, Dean Dull, Bob Furches, and Bill West.

Our main weakness during the year was a lack of reserves. The team showed good sportsmanship and cooperation all during the season, which really means more than winning. Some of our players should make good professional players, so, "Fellows, let's go after that ball."

Varsity players for this year have been: Bill West, Harvey White, Jimmy Brook, Dean Dull, Gene Dull, L.S. Shelton, Charlie White, Kenneth White, Willis Davis, Bobby Furches and Bob Beck.

The season has been fun, and we are proud of the record our team has made even though all the games haven't been victories. These are our scores:

GIRL'S BASKETBALL

Although the girl's win and lose record for the year was not very impressive, we do feel that the season just ended was a successful one. After losing several outstanding players through graduation last year, a gap was left open which is extremely hard to fill close during one season.

Several of the younger girls showed great promise during the season's play, and they are expected to "go places" in Davis basketball circles within the near future.

We have four seniors who played some outstanding ball for several seasons, and they will be greatly missed after graduation. The four seniors are Ada Ann Atkinson, Nancy Riddle, Carolyn Eaton, and Catherine West.

The varsity players for the season were Ada Atkinson, Carolyn Eaton, Catherine West, Nancy Riddle, Dewilla Dull, Peggy Riddle, Dorothy Mae Beck, Martha Ann Davis, Peggy Sue Cline, Colleen Howell, Betty Jo Riddle, and Nell Langston.

This season has been packed full of fun and frolic, and above all, hard practice. Our scores were not all in our favor, but we are still proud of them. The fun of playing and working together was worth all the defeats.
